

# Christian Cousins?

Most of us have experienced this. There is a knock on the door. Two young men with book in hand, well dressed and smart looking, smile at you. They want to talk to you about faith. Or perhaps there is a woman, handing you a booklet that has a watchtower on it. You most likely have guessed that Mormon and Jehovah's Witness missionaries are being described here. Have you ever invited them in for a chat? Have you been able to explain your faith in such a situation?

Darryl Weber and Pete Hamm will be guiding us in a comparison and exploration of the classic orthodox Christian creeds and the tenets of other faiths that also claim to believe in Jesus. They are not all the same. Some are closer to orthodox confession than others and may even be in the same camp, but others not so much. Essentially, this is a course about the identity of Jesus and what it means to be a Christian. Please come and learn about what we believe about Jesus in relation to The Salvation Army, Jehovah's Witnesses, and Mormonism.
